

SICTA Alert – November 4, 2006

Reminder! The big day is coming next week. It's time to **vote this Tuesday, November 7th**. Please encourage your voting friends and family to turn out and enjoy exercising an American privilege.

Sea Isle City Voters have a chance to **reform our town's governmental process** for a better future. We all know that voting is our civic responsibility, but the ballot question vote this year is particularly important. Remember **it's not about the people, it's about the structure**.

Election Day Transportation Assistance can be obtained by calling 263-3784. SICTA will arrange to have one of our volunteers drive you to the polls and return you to your door.

Still not sure? Visit www.sicta.org if you missed any of the information about the Mayor/Council form, or just would like to review portions of the material again. SICTA has also been posting recent newspaper articles that you may have missed. So click onto our website so that you can **make an informed decision and vote on November 7th**.
