

TOWNSENDS INLET *Garden Club*

Townsend's Inlet Garden Club

Join the Garden Club which meets every third Thursday of the month at the T. I. Civic Center located at 138 85th at 7:00 PM. The Club is very active on the Island and their programs reflect it from planting flowers, decorating the Center for the holidays, watching the movie, "The Secret Garden" and working with the school students who are writing about indigenous plants on the island.

At the May meeting at 7 PM we will be planting tulips, daffodils and blue bells in flower pots for an indoor garden and we will be judging from the many pictures sent in to be on the front cover of the T. I. Civic Center's 2008 Calendar Of Events Guide.

The Club also holds Cakes Sales to help support the T I Civic Center's which features the famous T. I. Civic Center's Sandcastle cakes and other delicious home made cakes.

To become a member call Louise at 263-3002.

TOWNSENDS INLET *Garden Club*

The Garden Club just presented The Annual Townsends Inlet Garden Club Award to Donald O'Connor for his beautiful garden at his pink house located on 85th Street. Pictured with Don are T I Garden Club members Floss Diamond, Garden Club President Louise Clemente and Irene Bukowski.
