*Making your home at the shore even more*

The South End Neighborhood Association was formed September 1995 which covers the areas from 73rd Street to 93rd Street. We represent over 2500 residences. We formed our organization because we wanted to keep the South end of Sea Isle free of rowdy behavior and unwanted noisy group rentals and through the years the organization has grown and has made a positive impact on this end of town keeping the community safe with positive behavior allowing everyone to enjoy the shore.

The South End of Sea Isle City is a warm and friendly community with many rentals and year-round property owners. We engage in community projects to improve the neighborhood, maintain contact with Sea Isle officials regarding various South End beach projects. We invite you to join your neighbors by filling out the 2015 membership form and returning it with your check for \$12 to S.E.N.A.

We have also expanded into the beautification of the South End Townsends Inlet Park and planting flowers at the entrances of the beaches and worked with the SIC Beautification Committee at the entrance of the Townsends Inlet bridge beautification project. We also co-sponsor and support the shows and events at the Townsends Inlet Civic Center which benefits the community and is helping to save a very important and much needed historic building on our island.

As soon as we receive your check we will mail your South End Neighborhood Association discount book and your membership card. If you have any questions please call me at (609) 263-3002. We look forward to another wonderful Summer.

South End Neighborhood Association, President Louise Clemente

There are many new stores in Sea Isle that will be included in this years SENA Discount Book!

This year the TI Civic Center volunteers came up with many new ideas for the Made in Sea Isle Collection to help pay the City's new taxes. These hand crafted items include your choice of a 3D Sea Isle or Townsends Inlet Lifeguard Boat, special edition Sea Isle or Townsends Inlet Lifeguard Boat or Welcome to Sea Isle framed print which can also include your family name on the print. Thanks to your many ideas and suggestions we've created the 34" tall Sea Isle Lighthouse because you wanted a tall lighthouse for the front of your house, garden, fireplace mantle and your kitchen island. Also a large replica of Sea Isle's famous Sara the Turtle, Sail Boats, Sandpipers, T Shirts, Polar Bear Plunge Sea Isle Lifeguard Boat, Sea Isle Holiday Collection and more! Go to [www.facebook.com/tiviccenter](http://www.facebook.com/tiviccenter) to see all of these one of a kind items made in Sea Isle. You do not have to have a facebook page to look at all of the items or see the many new events taking place at the TI Civic Center this summer.

We've lost Gillians Funland Amusements last year and with your donation toward an item of the made in Sea Isle collection you will help to ensure that the TI Civic Center keeps going and continues to benefit our Community as it has done for generations.

George Phillips will be honored this summer with an engraved paver for all that he did for the south end and the TI Civic Center. Busch's Restaurant has contributed so much to our island in so many ways. Please check website for date and time for this much deserved dedication ceremony in front of the TI Civic Center.

The TI Bridge is closed for repairs and will reopen mid May.

Road work is continuing on Sea Isle Boulevard and that is why we are asking you to send your SENA membership dues to 7908 Central Avenue, Sea Isle City, New Jersey 08243

If you would like to donate new or used items for the TI Center fundraiser table to keep the Center going please call 263-3002

SENA and other Sea Isle organizations will be a part of the TI Civic Center Day and we encourage our members to experience this wonderful event
