

The T. I. Civic Center is having a hard time raising the \$,000.00 in new taxes from the city. The volunteers came up with the idea making items in Sea Isle to help pay the new taxes. These hand crafted items include your choice of a 3 D Sea Isle or Townsends Inlet life guard boat, special edition Sea Isle or Townsends Inlet life guard boat, framed print which can also include your family's name on the print, Sea Isle Gift Basket that includes one 3 D boat, one boat print, one Sea Isle candy bar, one chocolate sail boat, two lobsters, two crabs and one lighthouse. For the chocolate lover in all of us a 3 D Sea Isle lifeguard boat in chocolate, big candy bar is 6 "x 9".

We just lost Gillian's Funland amusements and with your donation toward an item of the Made In Sea Isle Collection you will help to ensure that the T. I. Civic Center keeps going and continues to benefit the community as it has done for generations.

For anyone contributing more than \$50.00 will receive their choice of either two tickets to the Restoration Fund Dinner on Saturday, June 21 from 6 to 9 PM or the Shell Party Dinner on Saturday August 23 from 6 to 9 PM. Both of these dinners features the islands best restaurants from Busch's, Lobster Loft, Carmen's, Andrea Trattoria Italiana II, Marco Dill, Il Torno Trattoria, Valarie's Place and more.

Wonderful door prizes compliments of our local merchants and restaurants. Grand door prize is four U.S.P. passes to Morry's Pier.

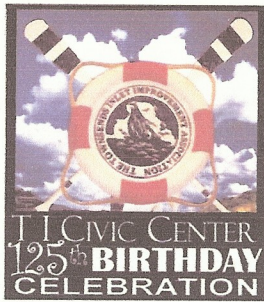

For anyone contributing more than \$100.00 will receive their choice of either four tickets to the Restoration Fund Dinner on Saturday, June 21 from 6 to 9 PM or the Shell Party Dinner on Saturday August 23 from 6 to 9 PM.

You can help the T. I. Civic Center by sending your contribution to the T. I. Civic Center's Tax Fund to insure that the Center keeps going. You are guaranteeing that the T. I. Civic Center's summer vacation events continue it's long history of the many great summer events for both the vacationer and residence.

Thank you,

Louise
