

**Town Watch/Town Pride**  
P.O. Box 17, Sea Isle City, NJ 08243

Dear Full or Part Time Resident or Visitor:

As someone interested in Sea Isle City, we wanted to invite you to become a member of Town Watch/Town Pride. This is an organization of volunteers who have a goal, keeping Sea Isle City a family community.

It has as its prime focus the enforcement of city ordinances, particularly those affecting noise, rowdiness, parking and trash collection. A newsletter summarizing and discussing the current situation on these matters is published 3 times during the summer.

TW/TP gives guidance and support to citizens who are having serious problems in their neighborhood. Representatives attend all summer court hearings to see that pertinent ordinances are being enforced. They also give guidance and support to citizens who are making a citizen's complaint or appearing as witnesses.

Three public meetings are held each year which normally are attended by the Mayor, City Administrator and our Police Chief. The principle purpose of these meetings is to focus attention on any problems with the enforcement of ordinances, that a citizen may be having.

These meetings frequently provide an opportunity for informal discussions on other topics with the Mayor, the Police Chief and other city officials.

During the off season TW/TP volunteers also assist our police department by patrolling our neighborhoods, under their supervision.

Membership in TW/TP is \$5 for an individual, \$10 for a family. You are encouraged to take an active role or, if not, to be a supporting member to help defray the printing, mailing and miscellaneous expenses of the organization.

Sincerely,

Robert R. Lynch  
Co-coordinator TW/TP (609) 263-2333
